**WE CONNECT  
YOUR BRAND  
WITH THE NEW  
URBAN-DIGITAL SCENE**

## WHY CALL-ME?

In CALL-ME we like to talk about **urban trends**.

An impulse created in the big cities of our world and that shares the spirit of:

*living through inspirational ideas*

A generation that wants to establish their **own rules of the game**.

In a world where the urban culture gains more weight, CALL-ME is the reference point to spread this spirit and connect the brands with the **urban-digital culture**.

We create **exclusive content** for those brands that want to connect with the target on a **constantly progressing and independant level**.

A generation that understands and operates within

**MUSIC, FASHION, FILM, ART and LIFESTYLE**

Thanks to our own medium, experience and network,  
**CALL-ME** is positioned as a reference  
point of this generation.

**CALL-ME**, we like our generation and we  
would like to connect it.

## THE ISSUE

Not many brands succeed to connect to the **urban culture**.

A target that **never stops growing** and is in constant search for **new tendencies**.

## OUR AIMS

- Satisfy the taste of this target with **exclusive content** offered through the brands we collaborate with
- Be the **tie** between the urban generation and your brand
- Suggest content on the basis of the **lifestyle of the target**
- **Support** this movement through our medium
